

Meet the Pos & Office T1, the rugged tablet that has it all!

The Pos & Office T1 is designed to overcome any challenge, offering exceptional performance and unparalleled endurance. Thanks to its Mediatek Helio G99 Octa-Core processor and 8GB of RAM, this device guarantees agile and smooth operation, even when running demanding applications. With 128GB of UFS2.2 storage, you'll have space and speed to handle your data, while the Android 14 operating system gives you access to the latest technological innovations.

T1

Android Rugged Tablet

Durability is one of its most notable features. This tablet is IP68 certified, making it completely water and dust resistant, and is designed to withstand drops of up to 1.2 meters. Even in extreme conditions, such as temperatures from -20°C to 60°C, the Pos & Office T1 will continue to operate without problems. Its 8.68-inch multi-touch screen, with a brightness of 400 nits and 7H protection, is ideal for outdoor work and allows it to be used with gloves or wet fingers, adapting to any situation.

In addition, the T1 is equipped with tools that make it an indispensable device for professionals. Its 48MP rear camera with autofocus and PDAF allows you to capture sharp and precise images, while the 32MP front camera is perfect for high-quality video conferencing. It also features advanced NFC technology, multiple sensors and global connectivity thanks to its compatibility with 4G networks, Dual Band WiFi and Bluetooth 5.1.

Battery life won't be a problem either. Its 8000mAh battery offers up to 10 hours of continuous use and supports 33W fast charging to minimize waiting times. In addition, its reverse charging function will allow you to use the tablet as a power source for other devices, making it even more versatile.

If you are looking for a device that combines power, durability and cutting-edge technology, the Pos & Office T1 is the perfect choice. No matter the environment or the challenge, this tablet is ready to accompany you every step of the way. Make it yours and take your productivity to the next level!
