

AI185

All in One Terminal

Do you want to take your company to the next level? Then you need the AI185 all-in-one terminal from Pos & Office. You will be able to manage all your operations comfortably and efficiently with this point of sale equipment.

Surprise your customers and employees with an 18.5" zero bezel screen with Full HD resolution and an elegant and modern design. You can add a second 13.3" screen if you want more information or special promotions.

You're in control: choose the operating system that best suits your needs: Windows 11 Pro or Android 11. Both offer a secure and intuitive interface along with the best apps to run your business.

Forget about performance problems: the AI185 all-in-one computer has the latest generation processors, Intel Core i5, Intel J6412 or RK3568, which guarantee optimal speed and stability.

The Pos & Office AI185 has multiple ports, including USB, HDMI, RJ45, and RS232, allowing you to easily connect all your devices and peripherals. Therefore, you will be able to integrate anything you need for your company, such as printers, barcode readers, cash drawers, etc.

The All In One P&O AI185 fits your industry: This terminal is ideal for restaurants, fast food chains, convenience stores, retail, supermarkets and more. The AI185 Pos & Office is the best option for your business.

- 18.5" touch screen
- Android 11 or Windows 11 Pro
- Second screen available
